

BOOK ORDER FORM

Accounting for GST in Malaysia (4th Edition)

- Updates on accounting treatments of GST transactions incorporating latest changes in GST Legislations vide Finance Act 2017.
- Illustration of 38 new, existing or revised recommended tax codes issued by Customs on 2nd March, 2017.
- Illustration of partial exemption rule & computation of IRR based on new recommended tax codes on 2nd March, 2017.
- Broaden the write up on accounting adjustments
- Broaden the write up on income tax implications of GST transactions.
- Other updates (please refer to Table of Contents posted on gst.gbs2u.com)
- 215 pages

[Note: If you have bought the 1st or 2nd Edition, it is advisable to buy the 4th Edition (updated as at 28th April,2017) as there are many changes after the 1st & 2nd release which may render certain information contained in the earlier release irrelevant or out of date.]
